

How to Contribute to the Wikimedia Endowment

Thank you for considering a gift that will benefit Wikipedia for generations to come!

The Wikimedia Endowment is housed at the Tides Foundation (Tax ID# 51-0198509) and can receive contributions through the following methods:

Checks by Postal Mail

Donations by check are processed at our lockbox, located at:

Wikimedia Foundation, Inc.
P.O. Box 98204
Washington, DC 20090-8204

Make your check payable to “Wikimedia Foundation,” with “Wikimedia Endowment (Fund #2072)” written on the memo line. Please note that, due to the ongoing Covid-19 pandemic, there may be a delay in depositing your check.

Donor Advised Funds

The Wikimedia Endowment can accept grants from Community Foundations and Donor Advised Funds (DAFs). Simply recommend a grant from your DAF to the Wikimedia Foundation with “Wikimedia Endowment (Fund #2072)” on the recommendation form.

QCD Giving

Qualified Charitable Distributions (QCDs), also known as IRA Charitable Rollovers, are the savviest way for individuals age 70.5 or older to use their Individual Retirement Accounts to maximize their charitable impact to the Wikimedia Endowment. Have your financial custodian follow the instructions for “Checks by Postal Mail” above or use the free online tool at freewill.com/qcd/wikipedia.

Legacy Giving

Help ensure the future of free knowledge for generations to come by naming the Wikimedia Endowment in your will, or as a beneficiary of your life insurance policy, retirement assets, or bank/brokerage accounts. Email endowment@wikimedia.org or call us at 415-758-8574 to discuss these and other planned giving options.
